

MEHDI BOUREMA

PERSONAL INFORMATION

Mehdi Bourema
25 years old
2 rue de Genève
67 000
Strasbourg

PRESENTATION

I am...

Recently graduated from the University of Strasbourg with a master's degree in bioinformatics and currently training as a full-stack web developer. I'm looking for a CDD/CDI job as a bioinformatician. Very passionate and motivated by nature, I am able to adapt to the needs of my recruiters, working independently or as part of a team.
